The Borrower and/or the Guarantors exempt the Bank in advance from any liability in the event that the insurance company does not pay all or some of the insurance amount pursuant to the policy, for any reason, save in the event that the non-payment derives from the Bank's negligence.

(e) Additional Provisions

(f) Breach and the Bank's Right to take out the Insurances

- (1) If the Borrower and/or the Pledgor do not take out the Property Insurance and/or if the Borrower and/or any of its components do not take out the Life Insurance and/or if the Borrower does not give the Bank confirmation of assignment and/or the Policies and/or the confirmation of insurance do not conform with the provisions of this Agreement and/or do not meet the Bank's requirements, before the date of providing the Loan or part thereof, and all or part of the Loan has been given, and in the event of the cancellation of the Policies and/or any of them and/or the confirmation/s of insurance, in consequence of default/s in payment/s of the premium or for any other reason, without the Borrower and/or the Pledgor providing an alternative Policy and confirmation of insurance, such shall be deemed, for all intents and purposes, a request and consent of the Borrower and/or of the Pledgor to take out the Property Insurance in accordance with the value of the Property and/or to take out the Life Insurance, as the case may be, through the bank and at the Borrower's expense. For the avoidance of doubt, it is expressed that the aforesaid does not derogate from the provisions of sub-clause (9) below.
- (2) In the cases detailed in sub-clause (1) above, the Bank may, without obligation, insure the Property and/or the Pledged Property and/or the life of the Borrower, as the case may be, at the Borrower's expense, from time to time, and pay any premium and other expense necessary for the insurance as aforesaid.

- (3) Property Insurance taken out by the Bank in accordance with the provisions of this sub-clause (f), in the Bank's exclusive discretion, shall only cover the Property and/or the Pledged Property and/or the rights in the Property and/or the Pledged Property, and shall not cover moveable Property situated inside it or any other contents thereof.
- (4) Without derogating from the Bank's rights in accordance with this sub-clause (f), the Borrower and/or the Pledgor undertake to furnish the Bank, immediately, with any document and any declaration, including a declaration of health, required in order to take out the Property Insurance and/or the Life Insurance by the bank in accordance with the provisions of this sub-clause (f).
- (5) It is expressed that the Bank has exclusive and absolute discretion whether or not to take out the Property Insurance and/or the Life Insurance in the cases detailed in sub-clause (1) above, on what terms and conditions and from when, including with regard to the Property Insurance - before occupation of the Property and/or the Pledged Property; in addition, the Bank may choose the insurance company or the entity that will draw up the Policies, as provided in this sub-clause (f).
- (6) For the avoidance of doubt, it is warranted and agreed that the Bank's right to take out the insurances at the Borrower's expense does not impose any liability on the Bank in connection with the insurance taken out by it, including liability in connection with the nature and scope of the insurance, the insurance cover of the policy taken out by it as aforesaid and the date of the insurance term's commencement.
- (7) Without derogating from the provisions of sub-clause (6) above, if property insurance is taken out in an amount lower than the real value of the Property and/or the Pledged Property, as shall be on the Loan date or as changing from time to time (situations of "under insurance" and the like), the Borrower and/or the Pledgor shall be exclusively liable for damages and/or expense occasioned as a result of the partial indemnity, if at all, received pursuant to the Property Insurance.
- (8) Any premium or other amount paid by the Bank and/or that it undertakes to pay for the purpose of taking out the Property Insurance and/or the Life Insurance in accordance with the provisions of this clause 6 of the General Terms and Conditions (including this sub-clause (e)) and/or for the purpose of renewing the insurance and/or for the purpose of maintaining its validity shall be reimbursed to the Bank by the Borrower and/or the Pledgor upon the Bank's first demand. In addition, the Bank may debit the Loan account for such purpose. For the avoidance of doubt, the above payments shall include any change in the amount of the insurance premium and linkage and interest. The Borrower and/or the Pledgor acknowledge that if the Property Insurance and/or the Life Insurance is taken out by the Bank, in accordance with the provisions of this clause 6 of the General Terms

and Conditions (including this sub-clause (e)), the amount of the premiums applicable to him might be higher, *inter alia* having regard to the age and/or state of health of the Borrower (in the case of Life Insurance) and, *inter alia*, as a result of changes in the value of the Property and/or the Pledged Property (in the case of Property Insurance) and/or for any other reason, including a change in the amount of the premium at the insurance company, as shall be from time to time.

- (9) A breach of any of the provisions of this clause 6 of the General Terms and Conditions by the Borrower and/or the Pledgor, including, *inter alia*, the failure to take out the Property Insurance and/or the Life Insurance in accordance with the provisions of this Agreement and/or the cancellation thereof, shall constitute a fundamental breach of the Agreement.

(g) The End of the Insurance Duty

- (1) After the Loan's repayment in full and after the repayment of all the Future Credit as defined herein, and the performance of all the Borrower's obligations pursuant to this Agreement and any other agreement between the Borrower and the Bank, and provided that there is no other Loan and/or credit of any type of the Bank to the Borrower, the Borrower may cancel the Policies.
- (2) For the avoidance of doubt, since the insurance contracts are separate contracts between the Borrower and/or the Pledgor, on the one hand, and the insurance company and/or insurance agency, on the other hand, to which the Bank is not a party, including where the relevant Policy is drawn up through Ir Shalem, the Borrower and/or the Pledgor shall be exclusively liable for the cancellation of the Policy and regulation of the cessation of the insurance payments after the repayment in full of the Borrower's debt as aforesaid in sub-clause (1).
- (3) It is also expressed that if the Property and/or the Pledged Property continues to be charged to the Bank and serves as collateral up to the secured amount, to secure Future Credit of any type that might be provided to the Borrower, in accordance with the provisions of this Agreement, in the event of the Policy's cancellation after the Loan's repayment in full, as set forth in sub-clause (1) above, the Borrower and/or the Pledgor shall be liable to take out the Property Insurance again, in accordance with the provisions of this clause 6 of the General Terms and Conditions, for the purpose of obtaining any additional Future Credit that shall be secured through the charge over the Property and/or the Pledged Property, until the full repayment of the Future Credit and all the provisions of this Agreement and/or any other agreement in respect of the insurance shall continue to apply and bind the Borrower and/or the Pledgor. All of the various insurance constitute additional collateral for the benefit of the Bank, and the Bank is entitled to waive the demands for said insurance at any time and at its sole discretion.

7. Miscellaneous obligations

- (a) The Borrower instructs the Bank to collect, at his expense, all the payments due to the Bank from the Borrower pursuant to this Agreement, *inter alia*, and without derogating from the generality of the aforesaid - all the payments of principal and interest and all the Ancillary Payments as defined in sub-clause 2(i) above, directly from his account. For such purpose, the Borrower undertakes to sign any document required by the bank in order to allow the payments to be made as aforesaid. In addition, the Borrower undertakes to pay all the expenses and commission that the Bank demands of the Borrower in connection with collection as aforesaid. With respect to the authorization to debit the Borrower's account, the Borrower acknowledges and agrees that the interest that will be charged in the framework of the account might be higher than the Default Interest pursuant hereto. The Bank shall not be liable for any expenses and/or consequences in the event that in light of the state of the Borrower's account at the Bank, the Bank does not honor the authorization. Without derogating from the generality of the aforesaid, the Bank's failure to honor authorization as aforesaid or the honoring of the authorization by the Bank which results in the Borrower's account at the Bank having a debit balance that is outside the Borrower's approved credit facility at the Bank, in respect of any payment and/or part thereof, for any reason, shall be deemed non-payment of such amount by the Borrower and shall constitute a fundamental breach of this Agreement by the Borrower.
- (b) The Bank shall not be obliged to send any notice to the Borrower in connection with the payment date of any payment owed by the Borrower or any notice in connection with his debt and/or the amount of this debt and the Borrower himself shall be liable for the full and punctual payment of every payment owed by him. In addition, the Borrower shall be under a duty to check at the Bank that the payments he is liable to make have actually been paid in full and on time. If the Borrower does not do so, and the Bank considers it appropriate to send the Borrower notice, the Borrower shall pay the Bank the notice Charges on the Bank's demand. The Bank may send notice to the Guarantor even if it has not sent notice to the Borrower.
- (c) (1) As collateral for the Loan's repayment in full and on time and as collateral for the repayment of the periodic payments, in accordance with the provisions of this Agreement, including as collateral for the early repayment of the Loan in the event that the Bank may, pursuant to this Agreement, call for the early repayment of the Loan and as additional collateral for the performance of the other obligations of the Borrower and/or the Pledgor pursuant hereto, the Borrower shall give the Bank promissory notes (hereinafter referred to as the "**Bills**"). The giving of the Bills shall not be deemed payment on account of the Loan except on their actual payment.

Without derogating from the aforesaid and in addition thereto, it is agreed that the Bills shall also serve as collateral for any Future Credit, as defined herein, received by the Borrower in future from time to time from the Bank, and for all the Ancillary Payments and/or additional amounts that the Borrower owes the Bank in connection with the Future Credit, including in current accounts and/or in other accounts. The Bills shall also serve as collateral for Future Credit as aforesaid without it being necessary to obtain additional consent thereto from the Borrower and without the Borrower having to sign any other document. For the avoidance of doubt, the aforesaid shall apply to any Future Credit as aforesaid, unless expressly provided otherwise in the documents pursuant whereto the Future Credit is provided.

- (2) The Borrower exempts the Bank from all the duties of a holder of a bill, including presentation for acceptance or payment, protest and notice of dishonor. All the Borrower's obligations pursuant hereto and/or the Bills shall remain valid even if such acts are not done at all by the Bank or are not done at the correct time and place and/or in the correct way.
 - (3) The Bank may protest the Bills and exercise all the legal or other measures required or desirable in respect thereof; however, it is under no duty to do so. All the expenses involved therein, if any, shall be debited to the Borrower.
 - (4) The Bank may, in its absolute discretion, fill out the Bills, cross them, complete them and transfer them to others, by discounting them or otherwise and in any manner it deems fit.
 - (5) The Borrower's obligations pursuant to the Bills shall not lapse even if the amount denominated therein has been paid and the Bank may sue in reliance on such bill such number of times as is equal to the number of payments not made on time and in full.
 - (6) All the Bills, obligations, guarantees and other collateral given by the Borrower and/or the Pledgor and/or the Guarantor to the Bank pursuant hereto shall be independent of each other for the purpose of their realization, and in addition to each other, and shall not affect or be affected by other collateral held by the Bank at any time.
- (d) The Borrower and/or the Pledgor must adopt reasonable measures to safeguard the Property and/or the Pledged Property and to secure the rights in respect thereof. Accordingly, in addition to the other obligations, the Borrower and/or the Pledgor undertake, so long as the Loan has not been repaid and/or so long as the Future Credit and/or the Ancillary Payments have not been repaid, as provided herein, to perform all their obligations pursuant to the mortgage deed and/or the pledge agreement, as an integral part of this Agreement, and a breach of any of their provisions shall constitute a fundamental breach of this Agreement for all intents and purposes.
- (e) If the Borrower and/or the Pledgor do not make one and/or more of the payments they are required to make pursuant to this clause 7 of the foregoing General Terms and Conditions and as provided below, the Bank

shall be entitled, though not obliged, to make such payment, provided that it gives 15 days' notice of its intention to do so, save in cases of special urgency with respect to the date of making the payment, in which failure to make immediate payment might result in material damage to the Bank, and claim reimbursement from the Borrower and/or the Pledgor together with linkage and interest, and together with statutory interest from the date paid by the Bank until its full payment by the Borrower.

- (f) Subject to the provisions of any law, the Bank and all those claiming by and through it, including the transferee pursuant to this sub-clause (f) may, at any time, transfer to any person and/or entity, all or any of their rights and/or obligations pursuant hereto, including pursuant to any charge, mortgage, pledge, promissory note, guarantee and/or any other collateral, without requiring the permission of the Borrower and/or the Pledgor and/or the Guarantor to do so. The transfer of rights as aforesaid shall not prejudice or derogate from the validity of any charge, mortgage, pledge, guarantee, promissory note and/or any other collateral, whether the rights therein have been transferred or not, and the Bank and/or the transferee shall be entitled to realize them, subject to any law, in the Bank's exclusive discretion.
- (g) The Borrower and/or the Pledgor undertake to notify the Bank immediately and by registered letter of any case in which a provisional attachment is imposed over the Property and/or the Pledged Property and/or of any case in which any execution act is taken in respect of the Property and/or the Pledged Property and/or of any case in which an application is filed for bankruptcy and/or receivership and/or for grant of an order to institute proceedings under the Insolvency and Economic Rehabilitation Law, 5778-2018 (hereinafter – the Insolvency Law) and/or for the appointment of a trustee and/or for the appointment of a provisional receiver and the like for the Borrower and/or his assets and/or the Property and/or the Pledged Property and/or of any case in which an application is filed against the Borrower for his winding up and/or for the appointment of a business manager and/or for the appointment of a provisional liquidator and/or in the event of the death of any of the Borrowers and/or Guarantors. A breach of the provisions of this clause 7(g) of the General Terms and Conditions by the Borrower and/or the Pledgor shall constitute a fundamental breach of this Agreement.
- (h) The Borrower and/or the Pledgor undertake to sign, on the Bank's demand, at any time and from time to time, any document necessary, in the Bank's opinion, in connection with the provisions of this Agreement, its validity and/or the validity of the Charges and/or collateral pursuant thereto and/or their execution.
- (i) The Borrower acknowledges and agrees that if the repayment of the Loan, or part thereof, or the making of any payment on account of the Loan, is done through monies deposited in the account by way of a cheque drawn on an overseas bank, such payment shall be deemed conditional payment/repayment for a period of six months from the date of the cheque's deposit in the account, and shall be deemed actual

payment/repayment only if the cheque is not returned by the drawee bank by the end of the said period. Accordingly, if the Borrower uses such monies for the purpose of the full repayment of the Loan, the Borrower agrees that the Bank shall not be obliged to agree to the removal of the Charges pursuant to clause 5 above, or any of them, until six months have passed from the date of depositing the cheque intended to be used for the Loan's repayment. In addition, the Borrower agrees that in the aforesaid case, the payment pursuant to the cheque shall only be deemed actually made after a number of business days have passed from the date of the cheque's deposit at the Bank, in accordance with the Bank's procedures.

10. **Guarantee**

For the avoidance of doubt, it is warranted and agreed that the provisions of this clause constitute a guarantee agreement for all intents and purposes within the meaning thereof in the Guarantee Law, 57271967 (hereinafter referred to as the "**Guarantee Law**"), of which the provisions of this Agreement constitute an integral part.

- (a) The undersigned Guarantors personally, jointly and severally, irrevocably and unconditionally guarantee the full and precise discharge of the Loan, interest, Default Interest and all the other Charges and obligations of the Borrower and/or the Pledgor pursuant to this Agreement, in addition to all the other collateral given by them to the Bank.
- (b) All the components of the Guarantor agree that their guarantee is being given for the amount of the Loan, the interest, the Default Interest and all the other amounts due to the Bank from the Borrower and/or the Pledgor pursuant hereto. For the avoidance of doubt, the Loan principal correct as at the date of signing the guarantee agreement is the total of all the amounts specified in clause 2 of the Special Terms and Conditions.
- (c) All the components of the Guarantor jointly and severally undertake to pay the Bank, immediately upon its first written demand, the amount of the Loan including interest, Default Interest and all the other amounts due to the Bank pursuant hereto, as noted by the Bank in its demand.
- (d) All the components of the Guarantor agree and warrant that their guarantee shall remain valid until the full repayment of the Loan, including the interest, Default Interest and other amounts that the Borrower is liable to pay pursuant hereto and they agree that the guarantee's validity shall not be affected, derogated from or lapse even if the Bank gives the Borrower and/or the Pledgor any extensions, concessions and/or agrees to replace and/or release one of the Borrowers and/or one of the Pledgors and/or one of the Guarantors or several of them and/or agrees to changes in the terms and conditions of the agreement and/or settles with the Borrower and/or the Pledgor and/or some of the Guarantors. In addition, the Guarantors agree that the guarantee shall remain valid regardless of the extent of the performance or non-performance of the obligations of the Borrower and/or the Pledgor. The Guarantors will not be entitled to make any claim that the Borrower and/or the Pledgor may have vis a vis the Bank; in such context, the guarantee shall not be howsoever dependent on the performance, existence or validity of the Charges and/or the other collateral, the subject of this Agreement. The aforesaid shall apply insofar as involved is a reasonable commercial transaction that is being done in good faith or in consequence of an occurrence over which the Bank has no control, except where any collateral or guarantee loses value or lapses as a result of a negligent act or omission of the Bank. The guarantee shall also remain valid if it is found that the Borrower's obligation pursuant to this Agreement is void ab initio by reason of a defect therein, unless at the time of this Agreement's execution the Bank knew or should have known about the defect, through the reasonable means at its disposal, while the Guarantors did not know about the said defect.

In addition, the guarantee shall remain valid in any other case in which the Bank may call for the early repayment of the Loan. Notwithstanding the aforesaid, if the Bank is responsible for the non-registration or lapse of the mortgage over the property (which is the property purchased with the mortgage monies) and as a result thereof damage is occasioned to a

Guarantor, the Guarantor shall be exempt in the amount of the damage occasioned to him.

- (e) All the components of the Guarantor agree that the Bank may act as it deems fit, including make any waiver and/or amendment and/or alteration and/or replacement as aforesaid, without obtaining their consent, and that this guarantee shall continue to apply to the Agreement even if it is altered and/or replaced and/or transferred to another. In addition, it is expressed that the validity of the guarantee shall not be howsoever prejudiced if the collateral the subject of this Agreement, or any part thereof, is replaced, cancelled, altered and/or amended. Without derogating from the generality of the aforesaid, it is agreed that the validity of the guarantee shall not be prejudiced if the mortgages and/or other Charges the subject of this Agreement are carried over to any other Property and/or properties, in accordance with the directives of the Bank of Israel, and in any event as customary at the Bank at the relevant time.
- The guarantee's validity is not conditional on the existence of any other and/or additional collateral, and shall not be affected even if for any reason the validity of another and/or additional collateral given in respect of this Loan expires.
- The guarantee's validity as aforesaid shall not be affected even if the terms and conditions of the Agreement are altered, including the terms and conditions of the Loan, *inter alia* the repayment period and/or the interest, as customary at the Bank at the time of carrying over the mortgages and/or Charges as aforesaid.
- (f) All the components of the Guarantor agree that all the relief available to the Bank against the Borrower pursuant to this Agreement and/or at law shall also be available to the Bank against each and every one of the Guarantors separately, including - and without derogating from the generality of the aforesaid - the right to call for the early and immediate repayment of the balance of the Loan, the interest, the Default Interest and any other amount that the Bank may demand from the Borrower and/or the Pledgor pursuant hereto, without the need to give notice and/or fulfill any condition precedent.
- (g) The guarantee is not dependent on the Bank having any other collateral from the Borrower and/or the Pledgor and/or from others, even if the Borrower and/or the Pledgor and/or others, including if the owners of the Property, an advocate, a housing company and the like have undertaken to give it pursuant to this Agreement and/or pursuant to any other document. The guarantee shall not prejudice and/or derogate from any other collateral in the Bank's possession.
- For the avoidance of doubt, but subject to the provisions of sub-paragraph (d) above, it is warranted and agreed that any waiver, extension or omission with regard to the receipt or non-receipt of any collateral, the Bills, the Charges and the other collateral mentioned herein and/or any release of collateral as aforesaid, by the Bank or by others, for any reason, shall not

prejudice and/or derogate from the guarantee and from the binding validity thereof.

- (h) The guarantee of each of the components of the Guarantor is not dependent on the Bank having a guarantee from another guarantor, including the Guarantors mentioned herein. All the components of the Guarantor agree that the Bank may, without obtaining their consent and/or the consent of any of them, release all the Guarantors and/or any of them from their guarantee pursuant hereto without such affecting and/or derogate from the obligations of the other Guarantors. In the event of the release of a Guarantor that reduces the number of protected guarantors, as defined in the Guarantee Law, the relative share of each protected guarantor shall be increased and determined in accordance with the new number of Guarantors after the aforesaid release, and each of the components of the Guarantor agrees in advance to the increase of his relative share as aforesaid.
- (i) All the components of the Guarantor undertake to notify the Bank immediately, by registered letter, if an attachment, including a provisional attachment, is imposed over their property and/or if execution proceedings are instituted against them and/or in the event that an application is filed against them for bankruptcy and/or receivership and to institute proceedings under the Insolvency Law and/or for the appointment of a trustee and/or for the appointment of a provisional receiver and/or for winding up and/or for the appointment of a business manager and/or provisional liquidator and the like.

It is expressed that the total of all the amounts specified in clause 2 of the Special Terms and Conditions are **"the amount of the guarantee"** for the purpose of section 21 of the Guarantee Law.

All the components of the Guarantee agree and confirm that the fact that any of them is an individual guarantor or protected guarantor, as the case may be, and the application of the relevant provisions of the Guarantee Law to his guarantee, if they are indeed fulfilled in respect of this Agreement, shall not howsoever derogate from the obligations of the other components of the Guarantor pursuant hereto.

In addition, all the components of the Guarantee irrevocably agree to join any legal proceedings instituted by the Bank against the Borrower and/or the

Pledgor in connection with the Loan documents, including the promissory note.

- (l) All the components of the Guarantor acknowledge and agree that the Property and/or the Pledged Property shall also serve as collateral for Future Credit received by the Borrower from time to time from the bank, including Future Credit not guaranteed by them, and that they shall not have any plea and/or claim in connection therewith and that the validity of their guarantee shall not be affected by or derogated from if Future Credit is given as aforesaid. The components of the Guarantor also acknowledge and agree that if they are not guarantors for the Future Credit and/or any part thereof, they shall not be entitled to receive any information in respect thereof, including notice that the bank has given the Borrower Future Credit as aforesaid, whether the Property and/or the Pledged Property and/or any other Property serves as collateral for it or not.
Notwithstanding the aforesaid, the Borrower waives the duty of confidentiality vis-a-vis any of the components of the Guarantor, and the Bank may, without obligation, notify the Guarantor of the grant of Future Credit to the Borrower even if he is not a guarantor for the Future Credit.
- (m) For the avoidance of doubt, by signing this Agreement all the components of the Guarantor warrant and confirm that they have received a copy identical to the version signed by them, and that they have been given all the information and/or any document which they are entitled to receive in accordance with the Guarantee Law, including the amendments thereto, *inter alia* a "guarantor disclosure document" and the Guarantor's signature of this agreement shall constitute a declaration, proof and confirmation of the aforesaid.
- (n) It is agreed that the General Terms and Conditions shall also apply in the event that a copy of the General Terms and Conditions received by the components of the Guarantor or any of them has not been signed by the Borrower and/or the Pledgor and/or any of the components and/or by the bank, and that these terms and conditions shall be deemed part of the Loan terms and conditions and shall bind all the components of the Guarantor as though signed by all the parties.
